## **Chairmans's Report**

Your tennis club continues to thrive and the court is still maintained to a very high standard.

This year the club has again arranged a very successful 8 week course of tennis coaching, aimed principally at juniors, and subsidised by the club.

During the year, there have been several successful social events held, including a music quiz in February, a safari dinner party in May and an open day in August.

Any suggestions regarding the management of the club and/or any improvements would be most welcome.
