Chairmans's Report

Your tennis club continues to thrive and the court has been maintained to a very high standard. The new court playing surface has been well received generally, and appears to be fulfilling all that was promised for it.

The new format for Tennis Coaching for juniors did not work out as well as hoped this year, and due to lower take up it was cancelled for 2016 (although some juniors in one age group did arrange privately for coaching during one week at the start of August).

During the year, there have been successful social events held, including a safari dinner party last October and a curry evening in May, and finally an open day in August.

A mixed doubles competition has been going on through the summer, which has been very successful, and will culminate in a finals day on 25 September 2016 (the day after the next safari dinner party).

Any suggestions regarding the management of the club and/or any improvements would be most welcome.
