Chairmans's Report

Your tennis club continues to thrive and the court has been maintained to a very high standard.

The court surface which was installed in Autumn 2015 has continued to perform very well, and has required very little (if any) maintenance from outside contractors. Our thanks to those dedicated members who have helped with general court maintenance like sweeping and weeding and moss treatments. We can always use more help from members with this!

The clubs finances are healthy, and we are progressing towards our target of raising at least £5,000 so that we can apply for grants and start on the new (improved) fencing project. Details of this new fencing (complete with a practice wall) can be seen here:-

With this in mind we would love your support with the various social and fund raising activities which we hold from time to time during the year. The next one is on Saturday 6th October at Bottisham British Legion. Some different quiz night subjects will keep this interesting and fun! There is a fully licensed bar and we provide a sumptuous ploughman's supper. Teams of up to 8 people, 7pm for 7.30pm start. The contributions we ask for this are £8 each. Contact Jeff on C812194 or John on C812227 to book a place. Why not get together with some friends and come out for a really good sociable evening!

Any views you may have about the running of the club and/or any constructive suggestions for improvements would be most welcome.
