

**LODE VILLAGE SAFARI DINNER (Open to all!)**

**6<sup>th</sup> JULY 2019 - Start Time 6.30pm**

After the great success of our last safari dinner party, we have decided to hold another one on 6<sup>th</sup> JULY 2019. Same principle as before (so open to everyone not just tennis club members) with everyone meeting up in one house for nibbles, and then dispersing in groups of 4 (or maybe 6) to another person's home for a starter course, and at a preset time moving on to reconvene in different groups for a main course in a different person's home (although couples do stay together) and finally all meeting up in one house for a final dessert course. We already have the venues for the meet and greet and for the dessert so now we need people to take part as diners and for some of those to volunteer to prepare a starter course or a main course. So you can sign up to either:

- a) just be a diner or diners;
- b) be a diner and to prepare and serve a starter course (and say how many you can cater for);
- c) be a diner and to prepare and serve a main course (and say how many you can cater for); or
- d) be a diner and bring along a dessert course to the final house.

If you are a host you will receive a portion of the entry money depending on which course you prepare.

The cost for being a diner will be £15 per head (you will be expected to provide your own wine or anything else you want to drink). Of that, £2.00 per head will be paid out to the hosts of the starter course, and £3.50 per head will be paid out to the hosts of the main course (so for example, if you are preparing a main course for 6 diners you will receive £21 to cover your costs) and £1.50 per head will be paid for the desserts.

Early confirmation is essential so that we can start to organise and plan the whole evening (including allocating the diners to the houses where they will eat!). The starting point we need from you is - the number of people that will take part. Once we have a better idea of numbers and who wants to prepare each course we can make sure that we have the correct ratio of hosts for the various courses. So please let us know asap and **DEFINITELY BEFORE 24/06/19 PLEASE.**
