Chairmans's Report

At last we have been able to get back to playing tennis after the long enforced break caused by the Coronavirus pandemic, and start to enjoy the wonderful court and the new fencing that we now have in place.

With the lifting of restrictions your committee of management is hoping to add a few extra facilities for everyone to enjoy. Also, we hope to be able to restart organizing some social activities over the year ahead.

Our thanks to those dedicated members who have helped with general court maintenance like sweeping and weeding and moss treatments. We can always use more help from members with this! Keep an eye out for emails about court maintenance days.

The club's finances are still healthy, and we are now endeavouring to build up funds for the long term towards major resurfacing projects that are expected to be necessary eventually.

If you have any items that you would like to add to the above draft Agenda for the AGM, or if you would like to attend the AGM, or if you would like to join the committee of management and help with the running of the tennis club please contact Jeff Kempster as soon as possible, preferably no later than 7 September 2021.

Any views you may have about the running of the club and/or any constructive suggestions for improvements would also be most welcome.
