## **Chairmans’s Report**

The tennis club continues to thrive with membership numbers standing at 56 which equates to at least 87 players (down from 90 last year).

The club’s finances are still very healthy, and we are now endeavouring to build up funds for the long term towards major resurfacing projects that are expected to be necessary eventually.

The court and fencing are still looking extremely good, - our thanks go to the dedicated members who assist with the ongoing maintenance tasks.

If you have any items that you would like to add to the above draft Agenda for the AGM, or if you would like to attend the AGM, or if you would like to join the committee of management and help with the running of the tennis club please contact Jeff Kempster as soon as possible, preferably no later than 26 September 2023.

Any views you may have about the running of the club and/or any constructive suggestions for improvements would also be most welcome.
