Chairmans's Report

The tennis club continues to thrive, and the court has been well maintained during the course of the year. A new net was purchased in spring, and a new improved community ball box was installed.

Unfortunately, during the summer there has been some problems with abuse of the court and the associated facilities. Although only on some occasions, the following have all occurred:

the net post was damaged through over tightening of the net;
the booking sheets have been spoiled;
the booking rules flouted;
the community balls have been either left out on the court, or stolen or deliberately 'lost';
the ant glare screen at one end of the court was tampered with.

The committee will need to consider whether any measures can be taken to try and discourage these things from happening in future.

On a brighter note, the social and other activities during the year included a curry and wine evening, a tennis match against Bottisham (we lost), an open day and barbecue, and a lucrative Quiz Night.

Any suggestions regarding the management of the club and/or any improvements would be most welcome.
