## **Chairmans's Report**

Your tennis club continues to thrive and the court is still maintained to a very high standard.

This year the club has arranged a very successful 8 week course of tennis coaching, aimed principally at juniors (17 attended), and partially funded by a grant from the Parish Plan fund.

During the year, there have been several social events including an open day in the summer, and there was a match against local rivals Bottisham which we won this year!

Your committee has noticed an increase in applications for membership from people who are not resident in Lode & Longmeadow. Although the club has a rule which limits the number of such members to a maximum of 10, there was some concern that the reason for this increase in applications may be due to the membership fees at Lode being so low by comparison to other clubs. This is the reason for a proposal to consider increasing fees for such members see item 4 on the AGM agenda.

Any suggestions regarding the management of the club and/or any improvements would be most welcome.
