3.	Jeff will also ensure the Club Night arrangements at Bottisham Tennis Club are publicised in Lode Star and on the website in spring 2010				JK
4.	Arrangement of Coaching for next spring was deferred until next year, although using the same coach as last year was agreed in principle.				JK
5.	After some discussion of the problems of moss encroaching on the court it was decided that a treatment costing £90 - £95 which is either sprayed or washed on would be tried out to see if it is effective. The intention will be to keep the moss in check so that power spraying and full court resurfacing can be delayed for about two more years. John Lince will acquire the spray and test it. If this treatment does not work there is an alternative which would cost around £387 which has guarantees of moss eradication for 2 - 3 years which could be tried next.				JL
6.	The problem of weed growth around the court was discussed as this had started to be a problem. Unfortunately Richard Todd had been unwell and so only one treatment of weed killer had been applied this year. Will Jaggard will ask Richard (now recovered) whether another treatment would be possible soon, and if not whether he could recommend any particular weed killer that we could apply ourselves.				WJ
7.	The next meeting was scheduled to be held at Denise Bardan's house at 20 Mill Road at 7.30pm on Wednesday 24 February 2010. This will be in time to finalise arrangements for the Cheese and Wine, and will be just ahead of the new subscription year, so arrangement can be made for supplying junior members with tennis balls at the start of the season. 8.	The m	eeting closed at approx. 8	3.30pm with thanks to the	e members for their attendance.
