## **Chairmans's Report**

Your tennis club continues to thrive and the court is still maintained to a very high standard.

This year the club has again arranged a very successful 8 week course of tennis coaching, aimed principally at juniors (17 attended), and ongoing tennis camps have also proved very popular. A grant application to East Cambs. District Council is currently being assessed, which may assist with the cost of this training for juniors.

During the year, there have been several social events including a safari dinner in January and an open day in the summer.

Any suggestions regarding the management of the club and/or any improvements would be most welcome.
