## **Chairmans's Report**

Your tennis club continues to thrive and the court is still maintained to a very high standard.

This year the club has again arranged a very successful 8 week course of tennis coaching, aimed principally at juniors, and ongoing tennis camps (arranged independently by the coach) have also proved very popular. Although a grant was received against the cost of last year's coaching it appears unlikely that one will be available for the current year's coaching.

During the year, there have been several social events including a pot luck supper in February and an open day in the summer.

A member has submitted a proposal that the online booking form should be used instead of the paper booking form in the box at court side.

The questionnaire that was issued early in 2012 concerning changing the booking slots from 1 hour to 1.5 hours for part of the day was generally not completed correctly, or in some cases was not completed at all, so the results were inconclusive. This proposal still needs to be considered and a decision made.

Any suggestions regarding the management of the club and/or any improvements would be most welcome.
